RE: Johannes A. Nurman, M.D.
Case # MD-08-1177A

Dear Dr. Nurman:

The purpose of this letter is to inform you that during the course of the August 5, 2009 public meeting, the Arizona Medical Board (Board) reviewed the above-referenced complaint and all pertinent evidence and information gathered during the investigation. At the conclusion of its review, the Board voted to issue you this Advisory Letter for failing to perform an adequate evaluation of a patient with heart burn unresponsive to rabeprazole and within 6 months complete 10-15 hours of Board staff pre-approved Category I CME in evaluation of chest pain. The CME hours shall be in addition to the hours required for the biennial renewal of medical license. The violation was a one-time occurrence that does not rise to the level of discipline.

An advisory letter is a non-disciplinary action, and is not subject to review by either the Board or the Courts. See *Murphy v. Board of Medical Examiners of the State of Arizona*, 190 Ariz. 441, 949 P.2d 530 (App. 1997). However, you may file a written response to the letter with the Board within thirty days after its receipt A.R.S. § 32-1451(E)(3). If timely received, the response will be attached to the advisory letter and maintained in your permanent file. The written response will also be hyperlinked to your profile on the Board's website.

Please contact Kathleen Muller, Compliance, at 480-551-2716 prior to registering for CME, for pre-approval.

Sincerely,

Mary Bober
